SUMMARY

As a software engineer with a proven record of leading impactful projects for top-tier clients, I thrive in high-stakes environments. I focus on innovation and excellence, continuously learning and mastering new technologies to tackle complex challenges. My expertise spans developing advanced mobile applications and optimizing web experiences, combining creativity and technical proficiency. Dedicated to delivering exceptional results, I am prepared to drive significant change in the digital landscape, with a strong emphasis on penetration testing.

EXPERIENCE

09/2021 - 01/2024 •

Dubai

Software Engineer

Orbisholding

- Worked on projects for the Ministry of Interior (MOI) in the Qatar Government.

Native

PERSONAL SKILLS

- ✓ Analytical thinker with strong problem-solving abilities.
- ✓ Experienced in managing development teams with exceptional organizational skills.
- ✓ Eager to learn and adapt to new technologies and frameworks.
- ✓ Highly organized, diligent, patient, and a quick learner.
- ✓ Skilled in coordinating multiple tasks across various departments.
- ✓ Proven ability to work under pressure, resolve issues, and meet deadlines.

TECHNICAL SKILLS

Javascript	Ajax	JQuery	REST API	Testing Applications	Debugging	iOS	macOS	JIRA
Confluence	API Integration	Android	React Native	JSON	C#	SQL	Front-end	
.NET Core	ASP.NET	Postman	Testing APIs	GUI Testing for Web and Mobile Applications				
Informatics	Linux	Windows OS	Azure Cloud	BitBucket	Excel	office 365	Confluence	
Swift (iOS)	Xcode	Android Studio	PHP	SaaS, PaaS Cloud infrastructure			Clean Code	HTML
HTML5	Product Knowledge	CSS3	CSS	bootstrap	Cybersecurity	React.js	Flutter	
Typescript	driving license	ECommerce	User Testing	ethical hacking	Git	IIS	IOS	Kali
Swagger	Git	Mobile Apps	Figma	Photoshop	Documentation Review	ms office	Angular	

TRAINING / COURSES

Ethical Hacking Essentials

Started with Kali Linux
Penetration Testing

Web and Mobile Testing with
Selenium

PASSIONS

- ✓ Cybersecurity
- ✓ Penetration testing
- ✓ Technology and research
- ✓ Traveling
